

# Log In to Your Driver Account

Your initial login will require your mobile phone number, Driver PIN, and verification of a text message code.

## Setting Up Your Recurring Report

- 1. Tap on the Account button  $\stackrel{\bigcirc}{\frown}$
- 2. Enter the mobile phone number associated with your Driver Account
- 3. Enter your Driver PIN

- 4. Enter the verification code you receive via text message on your mobile phone
- 5. Deny or Allow permission to use Biometric Authentication

+ * #	0	$\langle X \rangle$			

#### Note:

- You will only be asked to enter a text verification code the first time you log in on a device
- Biometrics are not recommended or supported for shared devices

### Opening the App when Logged In

When you put the app in the background or put your screen lock on, you will need to re-authenticate when opening the app.

**Biometrics Enabled** 

- 1. Your face will automatically be scanned for Face Authentication -OR-
- 2. You will be asked for a fingerprint for Touch Authentication

#### **Biometrics Disabled**

1. You will be asked to unlock the app with your PIN

## Account Menu

When you are logged in you will see a green circle and checkmark on the Account icon button

1. To access your account information and log out, tap on the Account icon  $\gtrsim$ 

# Transaction History

You can view, print, and share all past transactions through your account menu.

- 1. Tap on Transaction History
- 2. Select a single transaction or a transaction group indicated by a number in parenthesis ( )
- **3.** From a transaction group summary, you can tap on an individual transaction to view, print, or share the detailed view
